***About Chris:***

*Christopher Burnett Grant was a native San Antonian who attended SAISD schools. He was a 2001 graduate of Brackenridge High School and an Honorary Sam Houston Hurricane. Chris loved children and dedicated 10 years of his life to working at a center for children as well as working at a local children's home where he mentored 100s of kids. He felt that helping children who needed a big brother, father figure, or friend was his calling. Aside from working in education, Chris was also pursuing his dream of becoming a pharmacist. Christopher passed away in September of 2013, at the tender age of 30. He was funny, loving, encouraging, supportive and intelligent. He was a beloved son, brother and friend. Through this scholarship fund, Chris' giving spirit will live on. Prayerfully, this fund will help wonderful students like you to fulfill their dreams for years to come.*
