Adding Items to Your Registry

How to add items to your gift list

Add items from any product page:

Click the "Add to Registry & Gifting" button and select the registry or gift list you'd like to add the item to.

When shopping, click Add to Registry & Gifting on the bottom on the screen and only select items that are Prime so that items will arrive ASAP. We also encourage you to select highly rated items. We will process all items as tax exempt, so don't worry about that.

Turn on Prioritize for the items you want to make sure you get first and we will purchase in that order.

We plan to fill these orders on Monday and Tuesday, August 8th and 9th so keep any eye out on your campus later that week.

We are thrilled to be a part of your work as you begin your journey as a teacher in SAISD!
